# I. Course Query System (New Function)

<https://querycourse.ntust.edu.tw/querycourse>

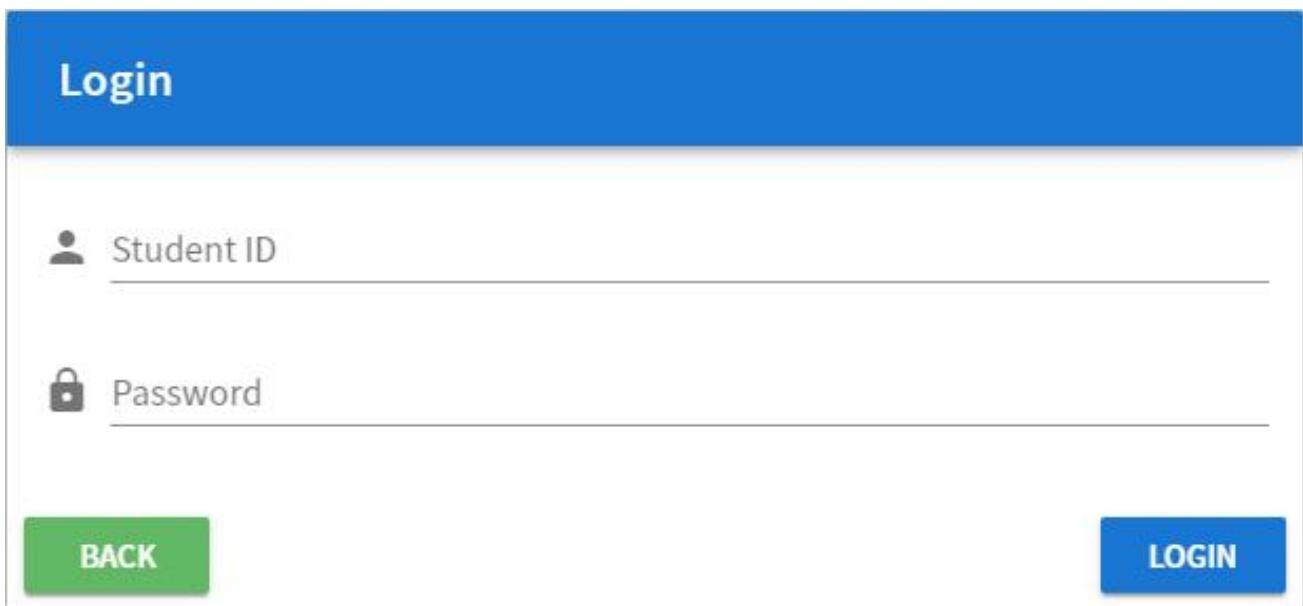

## i. Related Links

There are related links about courses, which can be found by clicking on the left upper corner.

## ii. System Login

Students have to login course query system in order to have connection to Course Selection System. The account is Student ID number, and the password is the password of the Student Information System.

The image shows a mobile-style login interface. At the top is a blue header bar with the word "Login" in white. Below it is a white input field with a person icon and the placeholder "Student ID". Below that is another white input field with a lock icon and the placeholder "Password". At the bottom left is a green "BACK" button, and at the bottom right is a blue "LOGIN" button.

## iii. Switch to English/Chinese

Click on the right upper corner to switch language.

iv. Add to Course List

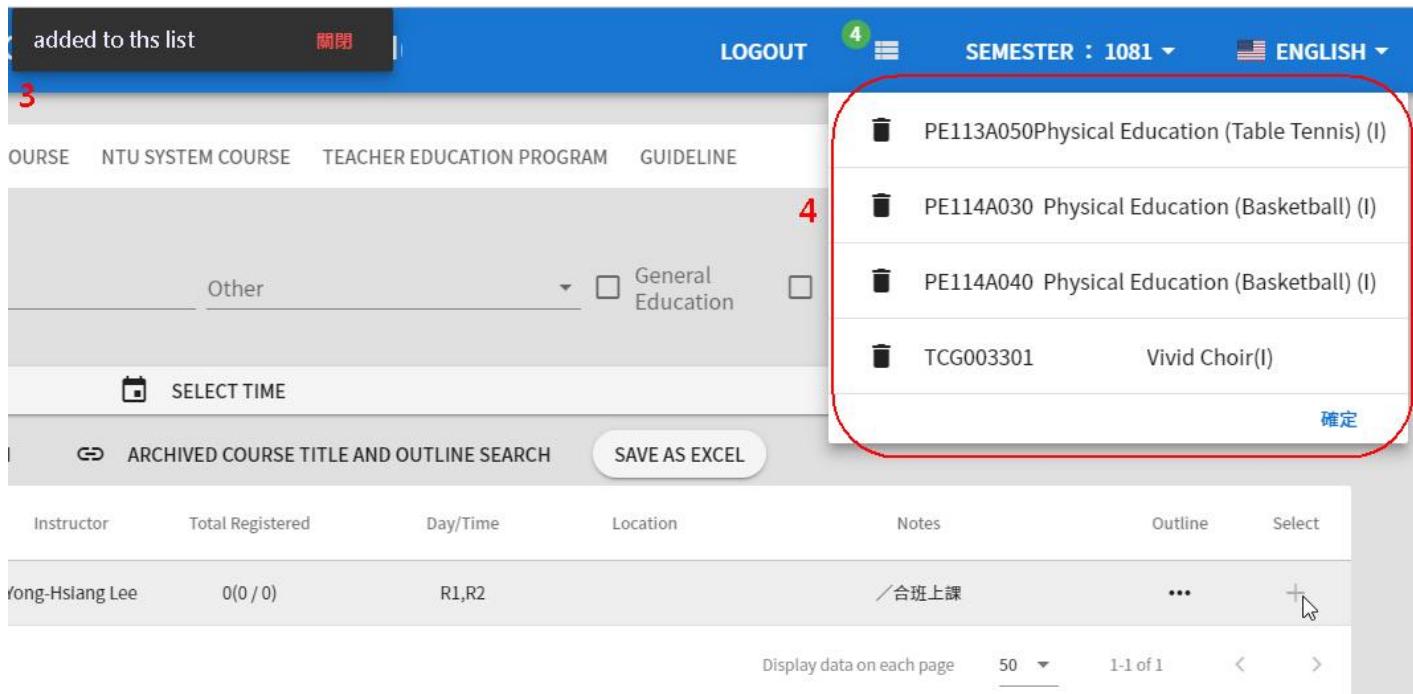

- Click “+” symbol to add courses to course list (the “Select column” is only available when the student has logged in).

The screenshot shows the NTU Catalog System interface. At the top, there are links for 'SYSTEM COURSE', 'TEACHER EDUCATION PROGRAM', and 'GUIDELINE'. On the right, there are 'LOGOUT' and 'SEMESTER : 1081' buttons, along with an English language selection. Below this, there are search filters: 'Famous Expert Course', 'Excl. NTU System Course', and a 'SEARCH' button. A 'SELECT TIME' dropdown is also visible. The main area is titled 'SEARCHED COURSE TITLE AND OUTLINE SEARCH' and includes a 'SAVE AS EXCEL' button. A table lists courses with columns for 'Total Registered', 'Day/Time', 'Location', 'Notes', 'Outline', and 'Select'. The 'Select' column contains '+' symbols, with the third row's '+' symbol circled in red and labeled '1' above it. The table rows are: 12(12/0) W10,W9 TR-312; 13(13/0) M10,M9 IB-602-2; 17(17/0) TA,TB,TC AU-101; 12(12/0) WA,WB,WC AU-101; 8(8/0) MA,MB TR-212.

- System will show the reason, if the student couldn't add the course successfully.

The screenshot shows a course selection interface. At the top, a message in Chinese reads: '本門課設有選課班級條件，您不符合條件，無法選修!!!' (This course has class selection requirements, you do not meet the conditions, cannot be selected!!!). Below this, there is a table of courses with columns: '2', '必', '半', '陳志祥', '3(3/0)', 'R8,R9', and 'TR-511'. The table has five rows. The second row's '必' column is circled in red and labeled '2'. The fifth row's '必' column is circled in red and labeled '2'.

3. If the student add the course to the list successfully, it will show “added to the list.”
4. The details of the course list will pop up for the student to check.

#### v. Pre-registration(Before the Draw), Pre-registration for New Student, Pre-registration for NTU System Courses

1. Announcement(Click to fold/unfold): including some instructions for using the system.

The screenshot shows the 'Check Course Selection Role' dropdown menu expanded. A large red box encloses the 'Announcement(Click to fold/unfold)' section. Inside, there are three bullet points:

- ※ Students can either add the course to the list by clicking "add" button in the "course list (not yet added)", or simply input the course code and click "add."
- ※ The maximum number of subject in List of Preference is 20.
- ※ Students can drag the courses to modify the preference order.

2. Input the course code and click "add" to add the course to List of Preference.

The screenshot shows the 'Check Course Selection Role' dropdown menu expanded. A large red box encloses the 'Course list(Not yet added)' section. Inside, there is a 'Course Code' input field with 'LIAO' in it, and a green 'Add' button. Below the input field is a green button labeled 'Course list(Not yet added)'.

3. Click the “add” button to add the courses from “Course List(not yet added)” to “List of Preference.”
